She reveals that on the day she and her father were supposed to reveal the Black Organization's identity to the public, she had a transmitter planted on her which resulted in them being caught. People[edit] Ā ĀĀ ĀShow spoilers Ā»ĀListening to her story, Conan reveals the inconsistencies with KĀĀshi's story and reveals that a man is impersonating KĀĀshi in order to scam KĀĀshi's mother for money. While the FBI attempt to figure out how to keep the Black Organization away from Rena, Akai decides they must keep the hospital employees uninvolved and that he shall think of plan to ambush them. In episode 491, we can cleary see a restaurant that copied McDonald's since the logo was similar as the M of Mcdonald's but just put upside down making a W. In the arc, two new characters are introduced, Andre Camel and Rikumichi Kusuda, leading to a climax involving FBI agent Shuichi Akai and the Black Organization. Fake Patient (Manga: 595-598, Anime: 495-497)[edit] Cast[edit] Situation[edit] Coma (Manga: 595-598, Anime: 495)[edit] Kogoro shuts up crows, because they're perching on the third-floor railing again, while he watched Yoko Okino's TV program who sings like a bird. Akemi Miyano's vehicle is a white Nissan 240Z [S30]. Hidemi Hondou reveals her father, Ethan Hondou, was also a CIA agent on the same mission. mission.
